We're holding these working meetings before our council meetings on the first Tuesday of each month, and **anyone is welcome to join us--the more voices we have, the better we can define ourselves. We'll keep that meeting from 6:30 to 7:30.** The Zoom link will be in next Tuesday's email, and we're asking everyone to complete homework in advance, you can find it in the link below. Can't attend the meeting? Keep the process in your prayers--that we faithfully listen to God's direction for

craft our mission and vision.

God's church.  
Thank you for helping in these
